

Application for a vaccine certificate with reserve number

1. Fill in your personal data below. Please write your names as they are written on your ID. Your phone number will be used if Region Örebro län needs to get in touch with you.
2. Send the completed form to:
Region Örebro län
Telefonbokningen Covidvaccination
Box 1613
701 16 Örebro
3. Region Örebro län will fill out a digital form and send it to E-hälsomyndigheten (The Swedish eHealth Agency).
4. Once a vaccination certificate has been created, it is sent by E-hälsomyndigheten as a registered letter within 10-15 days. You will receive a notification from PostNord when you can pick it up. You must present a valid ID document when you collect your certificate. (LMA-kort is not valid ID for this.)

NB! This application only applies to those who have received their latest dose of Covid vaccine at Region Örebro län. More information about vaccination certificates with a reserve number can be found here: [Has your vaccination been registered under a reserve number? • E-hälsomyndigheten \(ehalsomyndigheten.se\)](#)

Personal data

First name	
Surname	
Address	
Postal code	City
Reserve number (xxxx-xxxxxx)	Telephone number

Signature
Name in block letters

Handling of personal data for vaccination certificates

Your personal data may need to be stored with Region Örebro län on legal grounds. Measures are documented in the patient record according to the Patient Data Act. To find out more about how Region Örebro län processes personal data, see [Hantering av personuppgifter \(regionorebrolan.se\)](#)
