

Concerning Vårdcentralen Årby in Eskilstuna

Region Sörmland has decided to terminate the contract with Vårdcentralen Årby with effect from (and including) 01/02/2022. This means that Vårdcentralen Årby is no longer included in Region Sörmland's available range of healthcare centres.

If you have chosen Vårdcentralen Årby as your healthcare provider, you must therefore choose a different healthcare centre. The simplest way to do this is via 1177.se: <https://www.1177.se/Sormland/sa-fungerar-varden/att-valja-vardmottagning/valja-varldcentral-i-sormland/>

You can also complete the "Choice of healthcare centre in Sörmland" form and submit it to your chosen healthcare centre.
